

# Your last customer just **left.**

They messaged you 7 minutes ago.  
You still haven't replied.

Here's how we fix that in 24 h

Every missed message =  
**money in the bin.**

**78%**

buy from first responder

**42h**

avg response time

**55%**

never followed-up

Speed wins.

•

Silence loses.

You're  
everywhere.  
Your leads are  
**nowhere.**

See the gap

**Scattered.**

Leads across platforms

**Stale.**

Cold when you respond

**Expensive.**

Ad spend wasted

We install an **AI receptionist**  
that never sleeps,  
never forgets,  
never asks for a raise.

Turns your website into a closing machine  
overnight.

HOW IT WORKS

# 4 Steps to Close More Deals

1

## Customer lands

Cursor on shiny site

2

## AI chats

Instant engagement

3

## Lead saved

Auto contact card

4

## Follow-up fires

Paper-plane action

---

**Set it once.** It sells for you forever. →

---
